Glossary of Terms (and conditions)

Returns: books may be returned for refund within 7 days and only if not as described in the catalogue.

Abbreviations: 8vo = octavo size or from 140mm to 240mm, ie normal size book, 4to = quarto approx 200mm x 300mm (or coffee table size); d/w = dust wrapper; pp = pages; **vg cond** = (which I thought was self explanatory) very good condition. Other dealers use a variety including 'fine' which I would rather leave to coins etc. **Illus** = illustrations (as opposed to 'plates'); **ex lib** = had an earlier life in library service (generally public) and is showing signs of wear (these books are generally 1st editions mores the pity but in this catalogue most have been restored); **eps** = end papers, front and rear, **ex libris** or '**book plate**'; indicates it came from a private collection and has a book plate stuck in the front end papers. Books such as these are generally in good condition and the book plate, if it has provenance, ie, is linked to someone important, may increase the value of the book, **inscr** = inscription, either someone's name or a presentation inscription; **fep** = front end paper; the paper following the front cover and immediately preceding the half title page; **biblio**: bibliography of sources used in the compilation of a work (important to some military historians as it opens up many other leads). **or.cl.** = original cloth generally indicating there is no dust wrapper; **restored**; generally means a book has had the treatment by a book binder. New end papers, glued or sewn spine, even new boards. The value of rare books can be greatly enhanced if they are restored professionally. 'Back-yarders' should desist from attempting to restore books! There are many reputable binders around the place who will do a good job at a good price. By the way, the number that appears in brackets in the catalogue, ie (1814) is a data base number so no need to quote it when ordering.

Postage is always extra and insurance is available upon request. Overseas orders by credit card only. Postage will be by cheapest and most practical means possible unless otherwise requested. (In Australia, Express Post is the quickest and carefully handled by Australia Post. Express Post has increased to \$17 for a 3kg satchel (this includes everything OVER 500gms and under 3kg). So if you want it quick use Express—bit slower is the 3kg red satchel - \$15 which includes post pack and TLC).

Our terms for first-time buyers are 'payment up front'. Established buyers can pay by credit card, cheque, money order etc on receipt of an invoice.

Welcome to list #244, August 2021. For various reasons this is a shortened list with various categories given a rest for a month or so. In close analysis, it has been determined that these 'rested' categories were attracting little interest, so this month, we would stick to the main areas of interest, ie, WWI and WW2. But rest assured, we will have a full list very soon to include an old one of interest to me – 'HUMAN ENDEAVOUR'. This will include mountaineering, Arctic and Antarctic themes, survival, trekking and single-handed voyaging. I've got many books in this category that I can't wait to list. Here in Perth, supposedly the driest capital in Australia, we had 28 days straight rain in July and hopefully all the dams, creeks and rivers are full as well as the aquifers. I love the rain as it takes me back to my childhood and the year I spent in the jungle in Vietnam. Although the dry season up there was particularly dry and dusty, the monsoonal rains that followed the dry were a real god send. There is nothing worse than a lack of water! It certainly taught us water discipline.

The COVID plague has shut down Sydney, Melbourne and Brisbane currently with Adelaide, Tasmania and Perth off the hook (for the time being) The stupidity and down right moronic behaviour of the so-called 'freedom fighters' in Sydney recently is beyond understanding. Which part of 'safe community' don't they understand? I'm glad the NSW government has finally cracked down on these foolish antivaxxers who can, if not halted, bring danger to us all. Imagine if our mothers in the 50's had refused to have us immunized against Polio? And the International Health Certificate (IHC) used by the Army to record all the jabs we had. There were some real nasties back in the day and were wiped out by vaccines. Anyway, it all certainly takes the attention off the ADF and the Afghanistan accusations. I cannot believe our judicial system would take evidence from the Taliban who are the worst perpetrators of human rights. So, this list is again dedicated to those who've served and those who never made it home. Forever remembered. Vaya con Dios Mick and Jo (in a soggy Perth)
